Moving Forward Together: Alliance Board Recruitment Underway

Community Living Association Lanark (CLA) and Carebridge Community Support (CCS) are working together to find ways to improve services and enhance each person's overall experience. The goal is to create a new and stronger voice for the people we serve.

Recruitment is now underway to find new community volunteers to join the newly-created Alliance Board.

As a governance Board, these committed volunteers will be responsible for key areas such as strategic planning, quality, CEO oversight and financial stewardship. Board members bring a variety of skills to the table. More importantly, they bring a passion for improving care in our region. On average, the time requirement is approximately 5 to 10 hours per month.

"We want to ensure that the Board is representative of all of the communities we serve," explains Board Chair Jean Knowles. "We are looking for people who want to make a real difference in their community."
