

## **VOLUNTEER DRIVERS NEEDED!**

**Do you **LOVE** to drive? Then we have a gig for you!**

Mills Community Support needs volunteer drivers for our fleet of accessible vans and our bus. Summer is a busy season for our bus, since we have a full schedule of daytrips. A Class F license is needed to pilot our bus, but don't let that be a barrier – **we even pay for the training you need!**

We are also in need of drivers to take seniors and adults with disabilities to medical appointments, dialysis, grocery shopping, the bank and more. We pay a per-kilometer rate to cover the cost of gas.

**You can also choose your own hours and how much or how little you wish to drive** and you decide where you want to drive e.g., just in town, only as far as a neighbouring community, or as far as Ottawa. You are the valued volunteer so you call the shots!

### **Can you help?**

**We're looking for people (from 18 to 80 and beyond!) with:**

- ✓ A love of driving
- ✓ A desire to help
- ✓ A valid G or F license and insurance
- ✓ A reliable vehicle

**To find out more, please call our Home Support office at (613) 256-4700**

*Helping seniors live healthy, active, and engaged lives both at home and in the community.*
